

July 21, 2020

Random Acts of Walbridge will once again be offering a scholarship to a high school senior. It is open to any 2020 graduate from a Wood County, Ohio high school.

The scholarship will be awarded to a student who embodies the values that Random Acts stands for:

- An unsung hero who is kind, humble and generous
- One who works hard to do their best, not just at school, but also at home and in their community
- An individual who does not seek attention for their good deeds, but is deserving to be recognized by their peers and community

You can nominate a student by downloading and completing our application, then either emailing it or bringing it into Random Acts by August 10th, 2020.

Our scholarship is funded through sales of our logoed items, tips at our coffee/ice cream counter and donations from our fabulous customers! Last year, Random Acts was able to present \$1000 to a local student. We hope to do even better this year.

If you have any questions, please do not hesitate to stop in or call the store.

Sincerely,

Caryl
